INTRODUCTION

We've got some exciting new novels to offer you from our authors at Midwest Mystery Writers of America (MWMWA), available now and in the next coming months.

Please consider supporting these local authors by adding their books to your catalog and/or featuring them in book signings, workshops or speaking engagements.

Authors' websites and e-mail addresses are provided. You may contact the authors directly when you need them. If you have any questions, feel free to e-mail me at magruner@prodigy.net and put **LIBRARY** in the subject line so it doesn't get mixed in with the spam.
